

Catherine's European Skin Care

Facial Treatment for Rosacea

90 mins \$105

Results are quickly achieved through this curative treatment by using anti-inflammatory and anti-congestive ingredients as well as LED light therapy. This treatment will transform sensitivity and redness to hydrated and marvelously radiant.

Facial Treatment for Acne

90 mins \$105

This gentle, balancing treatment reduces inflammation, oil production, and blemishes. Clear invigorated skin is the result of this highly effective facial.

Special Acne Treatment for Teens

90 min \$105

This treatment includes professional extractions, microdermabrasion, a customized peel, and LED Light Therapy. A 45 min follow-up, within three days, is available for just \$50.

Daeses Facial Lifting Treatment

60 mins \$125

A light microdermabrasion is administered first and then a massage to the face and neck is performed using a DMAE cream. This helps to increase muscle tone and elasticity while decreasing fine lines and wrinkles. This effect lasts 8—12 hrs. This treatment has been called "The Botox Effect" and is a must before any event.

Catherine's European Skin Care

Facial Treatment for Rejuvenation

2 Hours \$170

This is a highly customized treatment combining microdermabrasion, an anti-aging peel, cold light LED, a specialized mask, and a 30min Daeses massage. This treatment will reduce fine lines, replenish moisture, and have an immediate firming effect. Turn back the clock with this facial!

Photo Rejuvenation Treatment - Cold Light LED

45 mins \$85

This gentle and painless treatment is used to reduce sun damage, pigmentation disorders, redness, inflammation and acne. A natural balance and glow is restored. Please allow additional time for extractions.

Microdermabrasion

60 mins \$100 includes a chemical peel

30 min \$50

Maximum results with no down time. Skin is superbly exfoliated while lines, uneven skin tone, and pore size are minimized.

Facial Treatment Add- Ons

Cold Light LED \$50

Propimask \$25
